GENERAL PROVISIONS

AGREEMENT TO INSURE: We will provide the insurance described in this policy in return for the premium and compliance with all applicable provisions. If a conflict exists between the terms of the General Provisions and the Special Provisions, the terms of the Special Provisions will apply. If a conflict exists between the terms of a special crop endorsement and the General Provisions or Special Provisions, the special crop endorsement will apply.

1. COVERAGE.

We cover the crops specified at the locations described in the Schedule of Insurance.

We do not cover crops that have been damaged by an insured peril(s), as defined in the Special Provisions, prior to signing the application, unless agreed to in writing by us.

2. INSURANCE PERIOD.

The insurance is in effect from the time the crop is clearly visible above the ground until the crop is harvested, except as follows:

- a. Policy Provisions shall take effect the earlier of: 12:01 a.m. on the date following the date you and the agent sign the application; or 2 hours from the time the application is received in the appropriate processing office.
- b. For some crops, there is an additional waiting period if shown in the Special Provisions or in a special crop endorsement.
- c. Coverage expires on the dates shown in the Special Provisions or special crop endorsement.
- d. *Increase of Existing Insurance*
Insurance added to this policy becomes effective at 12:01 a.m. on the date following the date you and the agent sign the revised Schedule of Insurance; or 2 hours from the time the revised Schedule of Insurance is received in the appropriate processing office. We will not increase insurance if damage by an insured peril has already occurred, unless agreed to in writing by us.
- e. *Decrease of Existing Insurance*
Reduction or cancellation of insurance will be effective at 12:01 a.m. of the date requested.
- f. *Policy Term*
Your policy is in effect only until coverage expires and only for the crop year specified in the application. If you elect to purchase a new policy for the next or future crop years, we reserve the right to change any terms or provisions of the policy contract.

3. DUTIES AFTER LOSS.

a. *Your Duties Are:*

In case of a probable loss to crops insured under this policy you must:

- (1) Give written notice to us within 10 days after the occurrence of one of the insured perils.
- (2) Continue to care for each damaged field of insured crop until we have examined the field; provided, however, that with our written consent, you may preserve representative samples in each damaged field of insured crop.
- (3) Allow us to examine the damaged crop as often as we reasonably require.
- (4) Upon our request, provide a complete harvesting and marketing record of each insured crop.
- (5) Upon our request, submit to an examination under oath.
- (6) Sign a Withdrawal of Claim when our inspection of the crop determines that there is no payable loss under the terms of this policy.
- (7) Within 60 days after your loss, unless we extend such time in writing, submit to us a signed statement in proof of loss declaring your loss and interest in the crop.
- (8) If a claim is made on other insurance arising from the same occurrence for which a claim is made on this policy, upon our request, provide us with all claims material relating to the other insurance.

b. *Our Duties Are:*

- (1) Adjust all losses.
- (2) Pay the loss within 30 days after we reach agreement with you, entry of a final judgment, or the filing of any appraisal award with us.

c. *Adjustment Procedures.*

Both you and we agree that the percentage of loss will be determined using the crop -hail loss adjustment procedures published by National Crop Insurance Services, or in the absence of such procedures, other

procedures as determined by us, for the particular crop insured and the applicable crop year.

d. **Deferred Adjustment.**

At times it may be necessary for us to defer the adjustment of a covered loss until the percentage of loss can be determined. You must continue to care for the damaged field of insured crop during this deferral period until the percentage of loss can be determined.

4. **LOSS PAYMENT.**

- a. The amount payable per acre will be the limit of insurance applying on the date of the loss multiplied by the percentage of loss. However, the amount payable may not exceed the actual cash value of the portion of the crop destroyed by perils insured against.
- b. If a crop loss is also covered by other crop insurance, we will pay only the proportion of the loss that our limit of insurance bears to the total amount of insurance, provided, however that no crop insurance reinsured or approved by the Federal Crop Insurance Corporation will be prorated with this policy. If a crop loss is also covered by other insurance, including but not limited to the following examples, farm property insurance or farm and ranch insurance, then we will pay only for the excess of such loss beyond the amount due from such other insurance, whether collectible or not, and not exceeding our limits of insurance.

5. **REDUCTION OF INSURANCE.**

The limit of insurance applying to each acre of insured crop will be reduced:

- a. By the gross percentage of loss determined for each loss.
- b. By the same percentage as each acre of crop is harvested.

6. **APPRAISAL.**

If you and we fail to agree on the percentage of loss caused by one of the insured perils, the following procedure will be used:

- a. The entire crop or a representative sample of the crop, as defined in the policy, must remain intact until a determination of the percentage of loss is rendered by these procedures.
- b. One of us will demand in writing that the percentage of loss be set by appraisal.
- c. Each of us will select a competent appraiser and notify the other of the appraiser's identity within 10 days after receipt of the written demand.

- d. The two appraisers will then select a competent, impartial umpire. If within 10 days of the selection of the appraisers, the two appraisers are unable to agree upon an umpire, you or we can ask a judge of a court of record, in the state which the insured crop is grown, to select an umpire. If the court fails to act on the request within 30 days, you or we can ask the American Arbitration Association to select an umpire.

- e. The appraisers will then set the percentage of loss in accordance with provision 3.c. The appraisers' written agreement will be final and binding upon you and us.

- f. If the appraisers fail to agree within 10 days, they will submit their difference to the umpire. Written agreement signed by any two of these three will set the percentage of loss. This written report of an agreement will be final and binding upon you and us.

- g. In the event you or we fail to select an appraiser within the time allowed herein, the appraiser selected by the other party will set the percentage of loss and his written report will be final and binding upon you and us.

- h. The determination of the percentage of loss rendered by these procedures may be entered in any court of competent jurisdiction as a final judgment.

Each appraiser will be paid by the party selecting that appraiser. Other expenses of the appraisal and compensation of the umpire will be paid equally by you and us.

We will not be held to have waived any of our rights by any act relating to the appraisal.

7. **LIBERALIZATION.**

If we adopt any revision which would broaden the coverage under this policy without additional premium, the broadened coverage will apply.

8. **VARIATION IN ACREAGE IN CASE OF LOSS.**

When the actual acreage of a crop differs from the number of acres stated by item in the Schedule of Insurance:

- a. A revised Schedule of Insurance per acre will be obtained by dividing the limit of insurance by the actual acreage at the location for such item.
- b. The total insurance per acre on your insured interest will not exceed the value of the crop at the time of loss.

9. **ENTIRE AGREEMENT, WAIVER OR CHANGE OF POLICY PROVISIONS.**

This policy, the application as accepted by us, and any endorsements issued by us and attached hereto constitute the entire agreement between you and us. A waiver or change of any provision must be in writing and approved by us. Our request for an appraisal or examination will not waive any of our rights.

10. ASSIGNMENT OF INTEREST.

You may not assign your interest in this policy without our written consent.

11. ASSIGNMENT OF INDEMNITY.

You may assign to another party your right to an indemnity for the crop year only on our form and with our approval. The assignee will have the right to submit the loss notices and forms required by the policy.

12. CONCEALMENT OR FRAUD.

We do not provide coverage for any insured who has intentionally concealed or misrepresented any material fact or circumstance relating to this insurance, either before or after a loss.

13. CANCELLATION OF POLICY.

a. By You:

If you cancel or reduce coverage prior to inception of the insurance period, we will refund your paid premium for the amount of insurance canceled. If you cancel or reduce coverage during the insurance period, we will not refund any premium.

b. By Us:

We may cancel all or any part of the insurance provided by us at any time by notifying you in writing at least 10 days before the date and hour cancellation takes effect. Notices of cancellation may be delivered or mailed to you at your mailing address shown in the declarations. Proof of mailing will be sufficient proof of notice.

If we cancel all or any part of this policy, we will return the premium paid for the amount of insurance per acre on the portion canceled.

(State law exceptions to the 10 days notice of cancellation, if any, are contained in the Special Provisions and/or state endorsements.)

14. EXCLUSIONS.

We do not cover:

- a. Loss from any peril not insured against, even though the loss may have occurred in conjunction with a peril insured against.
- b. Consequential, or indirect damages, such as but not limited to diseases, insect infestation, lodging, loss of markets, etc.
- c. Loss of any portion of a crop recoverable by harvesting equipment.

d. Loss due to your neglect or failure to harvest mature crops.

e. Injury or damage to the vegetative or flowering portion of any plant, tree or shrub, except to the extent that the injury results in a loss to that crop.

f. Any loss that has been contributed to by nuclear reaction, radiation, or radioactive contamination, all whether controlled or uncontrolled or however caused, or any consequence of any of these.

g. Any loss caused in whole or in part due to pollution or contamination caused by the discharge or escape of any pollutants or contaminants.

15. ABANDONMENT OF CROP.

We will not accept abandonment to us of any interest in any crop.

16. SUIT AGAINST US.

You cannot bring suit or action against us unless you have complied with all of the policy provisions.

If you do enter suit against us you must do so within 12 months of the occurrence causing loss or damage. *(State law exceptions to the 12 months limitation, if any, are contained in the Special Provisions and/or state endorsements.)*

17. CONFORMITY TO STATUTES.

If any terms of this policy are in conflict with statutes of the state in which this policy is issued, the policy will conform to such statutes.

18. SUBROGATION. (Recovery of loss from a third party)

Because you may be able to recover all or a part of your loss from someone other than us, you must do all you can to preserve any such rights. If we pay you for your loss, your right of recovery will belong to us. If we recover more than we paid you plus our expenses, the excess will be paid to you.

19. INSPECTIONS.

We will be permitted, but not obligated, to inspect your property and operations at any time. Neither our right to make inspections, nor the making thereof, nor any report thereon, will constitute an undertaking on your behalf or for your benefit or the benefit of others, to determine or warrant that such property or operations are safe or healthful, or are in compliance with any law, rule or regulation.

20. PRE-JUDGMENT INTEREST.

If you and we do not reach agreement on the amount of loss, and whether we determine the amount of loss through the appraisal process or you file suit against us, you are not entitled to pre-judgment interest.
